STAGE 3

SPECIAL RULES :
When a COG starts his turn on equipment area of tile 3B, he earns 1 Tag token. If he leaves this area or bleeds out, he loses all his Tags. The COG with the most Tags becomes the target of AI cards affecting the active COG ("you") or "the nearest", and also the priority target of Locust attacks.

FLIP WHEN :
A COG has gathered enough Tag tokens:
- 3 players: 3 Tag tokens
- 4 players: 2 Tag tokens

Mission objectives:
Locusts have invaded Ares base. Infiltrate the base and unlock its doors to allow the COG assault.
