

Swamp Tiles

17 Different 6x6 Tiles with 1" Grid

by CB Jones

Swamp Tiles
6" x 6"
With a 1" Grid

- For best results, print onto cardstock and use spray glue or a glue stick to adhere each tile to foam board, cardboard, or chipboard.
- If you are making your tiles double-sided, try to keep different versions of like pieces on the same tile for easier organization.
