SET ZERO: BASIC ADVENTURE

A series of paper miniatures designed for roleplaying and wargaming.
Design and artwork © David Okum 2011

Figures are 30mm scale. To assemble simply cut the figures out, score along the red line, fold and glue figures front to back. Use scissors and a craft knife to carefully finish trimming and cutting out the figure, leaving a black outline. Cover the white edges carefully with a black permanent marker. Use fold-up bases or foamcore cut into 20mm squares, carefully cutting a slot for the figure.
