Enter the forbidden mirror maze...if you dare!

Greetings, bravest of all Elves!
The Queen of the Elven Kingdom anxiously awaits your return. Your homeland is in turmoil as the Queen's evil sister, Sinestra the Archmage, has joined forces with Zargon. Sinestra has kidnapped the Queen's daughter Millandriell and hidden her in a dark and mysterious mirror maze.

Fearless Elf, you have been chosen to rescue the fair Princess. To determine your worthiness, you alone must complete three dangerous Quests. If you survive, you and your fellow Heroes will then venture into the forbidden Realm of Reflection – where all is not as it seems. There you must destroy Sinestra and rescue the Princess from the dark forces of Chaos!
