

The diagram shows a floor plan on a parchment-like background. It features three distinct levels: a dark brown 'Lower Level' on the left, a large grey-blue 'Main Level' in the center, and a purple 'Higher Level' on the right. The levels are interconnected by various corridors and doorways. The text labels are written in a white, serif font and are placed within dark, semi-transparent rectangular boxes that overlap the corresponding level's area.
